WATERPROOF CHEST WADERS "MAX S5"

Model: SBM01B

The chest waders have been produced with high quality PVC Safety boots S5 type welded in – steel toe cap and steel midsole. The model has elasticated braces, knee-protection and a belt for waist adjustment. Chest waders have been made on waterproof strong fabric Plavitex Heavy Duty. It's a good protection against water. High frequency welding makes seams stronger.
