WATERPROOF WARNING CLOTHING

Model: 1101/1011

The suit contains a jacket and bibpants. The jacket is fastened with snaps. The bibpants have adjustable elasticated braces. Reflective tapes on jacket and bibpants make workers more visible. The model is made on waterproof fabric Plavitex Fluo and it has been designed to be used at unfavorable weather conditions where visibility is limited. Thanks to double welded high frequency seams the product protects against rain and wind. The suit conforms to EN ISO 13688, EN 343 and EN ISO 20471 standards.
